

## LEADING THE CRITICAL DEBATE ON CONTEMPORARY CRAFT + DESIGN + 3D ART

*Object* is a forum for issues across craft, design, and 3D practice, with critical and speculative writing from some of the best commentators and writers in Australia and internationally

*Object* (ob-jikt) n. 1. something solid that can be seen or touched. 2. a person or thing to which action or feeling is directed. 3. a purpose, an intention.
