Sydney Craft Week

6–15 October 2023

The 7th annual Sydney Craft Week Festival starts next week

This year's Festival program reflects on the theme 'Time': the time it takes makers to make, to learn a skill, to understand materials and to build a practice as well as the timeless quality of handmade work.

Making is something that all of us can turn to, to slow down and appreciate time in a different way, a quiet meditative process that soothes the mind and stretches time.

We invite you to join a [workshop](#), visit an [exhibition](#), attend a [talk](#), or visit one of the many makers markets happening across Sydney Craft Week's opening weekend!

The full program of events is now live on sydneycraftweek.com

We hope to see you all at Australian Design Centre, the Sydney Craft Week HQ, during the Festival to see our
